Bonjour Artist:

The Confrérie d'Abbeville marches forward hoping that we will eat, drink, dance, celebrate art and our fortieth anniversary in November. We anticipate the return of the Giant Omelette with an extraordinary celebration. It will be held Saturday, November 2, and Sunday, November 3, 2023. The art and craft exhibition is a part of the celebration. This is a juried show. All items are handmade by the vendor. Also, this is a smoke-free show. If you wish to participate this year, please complete the enclosed application, submit payment, and return to the above listed address.

Early submission of the application with payment of fees is encouraged. The jury committee will meet periodically throughout the summer to select new applicants. Thereafter, a correspondence indicating acceptance or denial will be sent to the applicant. Booth assignments will begin the first week in August. Returning vendors requesting their previous booth location will be given preference until **August 1, 2024**. You must indicate whether you want the same booth as the previous year on your application. If a new location is desired, please state the reasons so that your needs can be assessed. Every request will be considered.

To secure your booth space, please complete and submit your application, waiver, and fee as soon as possible. All checks will be deposited as they are received. Refunds will be given only until **October 1, 2024**. **All fees are non-refundable after that date.** Your interest and participation in the Giant Omelette Celebration is appreciated. *A bientôt en November!*

Sincerely,

Laurie, Kathy, and Katie
Art and Craft Show Committee
